THE BUSINESS AND ACTIVITIES

W-EAL offers an opportunity for you to interact with horses and other animals on the ground and to take part in a variety of animal-related activities. This might be with or without horses, alpacas, dogs and guinea pigs loose in an enclosed area such as a stable or arena or in a large open paddock with a number of animals or with one animal on the end of a halter and lead rope. There is no riding offered as part of this activities

ON and OFF SITE ACTIVITIES

Wick Yard is a public space and other members of the public and tenants pass through the farm. Learners will be supervised 1:1 at all times and though minimal opportunity for social interactions sometimes occur. These are always supervised by the facilitator.

There will also be opportunities to take dogs or ponies on walks, utilising local quiet countryside footpaths. Details of these walks are available and have been risk assessed. Again though these are quiet rural routes, interactions with the public may occur.
